

22 DEC 1949

The Honorable Jess Larson  
Administrator  
General Services Administration  
Washington 25, D. C.

Dear Mr. Larson:

Your proposed regulation on utilization of excess real property and disposal of surplus real property referred to me by your letter of 12 December has been reviewed, and this Agency has no recommendations for any change.

Although Section 502(d)17 of Public Law 152 exempts this Agency generally from the provisions of that law, it is our intention to follow to the fullest extent possible within certain essential operational limitations its provisions and the provisions of implementing General Services Administration regulations.

Sincerely,

R. H. HILLENKOETTER  
Rear Admiral, USN  
Director of Central Intelligence
